The meeting was closed at 7:00 p.m.

**REGULAR CITY COUNCIL MEETING CALLED TO ORDER:** Mayor Dan Pierson declared a quorum present and opened the Regular City Council meeting at 7:01p.m.

The following members of the City Council were present: Dale Sluder, Mike Wallace and Payson Reese.

Others present were as follows: Dena Mabbutt, City Clerk, Michael Thompson, Police Officer; Clay Ritter, Librarian; John Peyman, Maintenance Supervisor; Clair Granquist, Dan Lewin, Kathy Lewin, Nyssa Hartley, Kyler Hartley, Kody Lewin and Zoe Ferrin and Jake Gage.

Mayor Pierson led the Council and audience in the Pledge of Allegiance.

**CORRECTIONS TO AGENDA:** There were none.

**PUBLIC COMMENT TIME:** Clair Granquist stated there will be a public outreach meeting about proposed playground equipment renovations at the Mary L. Gooding Park. The meeting will be 1-11-17 at 7:00 p.m. at City Hall.

**MINUTES:** Mayor Pierson asked for corrections or additions to the minutes of December 20, 2016. There were none. Motion made by Councilman Reese to accept the minutes as presented. Councilman Wallace seconded the motion, all in favor, no opposition. Motion passed unanimously.

**REPORTS:**

Clay Ritter gave the **Library Report** for December as follows:

**Library Monthly Report  
Shoshone Public Library**

During the month of December the Library had 421 visits from Patrons 77 of which used our publicly available computers. We checked out 821 total items this month, 723 of those being books.

Storytime for the Library had 48 attendees for the month of December. We are currently on our winter break and plan to restart Storytime in January to finish out the ABC's. Our Lego Club will also start up in January and we are looking ahead to Summer Reading and this year's theme of 'Build a Better World' which we plan to incorporate a community service and hands-on building aspect into.

The Library applied for a grant of \$1900 from the Idaho Stem Action Center to fund the robotics to help form a county-wide Lego Robotics team. This grant was awarded for the full amount and we look forward to facilitating the formation of this team in partnership with the 4-H program and the local schools.

With the possibility of re-carpeting and painting in the Library in the spring we are exploring different options for continuing Library service as well as options to continue our programming schedule with as few interruptions to our patrons as possible. The Library is also working on a complete inventory of the Library and will be working on that through the coming months.

If you have any feedback or suggestions please let me know.

**Department Initiatives:**

**Data Driven Approach to Crime and Traffic Safety (DDACTS):** Based on the last reporting period's crime data map, enhanced enforcement was directed into the northwest quadrant of the city. The identifiable "HOT SPOT" for this reporting period is the southwest quadrant of the city. Officers are being directed to focus their patrol time in this quadrant.

**School Safety and Security Detail:** SPD emphasizes school safety by providing continued assistance to Shoshone Schools while the school season is in session. We are taking a pro-active approach by reducing crimes and accidents caused by inattentive drivers. As officers monitor the school during the busiest times we can react to potential safety concerns quickly and remedy situations without delayed response times. Officers conducted 12 Hours of school security detail during the month of November and observed minor traffic violations and did not observe misdemeanor or felony crimes or suspicious activity during the detail. SPD officers responded to 5 calls for service which resulted in an additional 6.5 Hours at Shoshone Schools.

**ITD/OHS Emphasis Patrol:** SPD participated in the Idaho Transportation Department, Office of Highway Seat Belt Mobilization from December 19-31. During the mobilization, SPD increased traffic related stops from 23 to 53 stops with 30 increased traffic stops during the mobilization period. Out of the 53 stops there were 3 stops which were drug related and 1 stop with a weapons related charge. The subjects stopped above were traveling through Shoshone and were not from this area.

John Peyman reviewed the **Maintenance Department** report for December as follows:

**WATER DEPT**

We switched from the pump house on the hill to the pump house by the shop so we could rebuild the clay valve. Took it apart and put it back together twice before we got it fixed. Passed out some red tags and had a couple of water shut offs. Did a few locates, uncovered water meters and read them. Called the DEQ and sent them a letter letting them that we were indeed interested in pursuing the grant for a water survey. Called the USDA to see if they might be able help us with money for our water survey.

**PARKS DEPT**

Welded up hand rails on the gazebo steps, and Aaron cut and replaced some boards on the outside of the gazebo.

Streets Dept.

We fixed our backyard gate, post was bent and half broken. Put a new water pump and starter in the small white dump truck. We all took our on line ICRMP test, and serviced some of our small equipment. We removed several trees from the river mostly by East third and Edith Streets. Hauled off lots of wood and branches. Dug out about two feet all the way around concrete abutments. Removed red paint from the curb on the corner of South Rail and South Apple. Plowed snow three times and hauled the snow off from down town. We also spent some time clearing drains.

**SEWER DEPT**

Had sweets camera Marry Garrets sewer line, they did it for no charge. Had the heater for the treatment plant lab worked on it is still under warranty. Pulled a main lift station pump and cleaned the rags out of it.

**SANITATION DEPT**

Used the plazma touch to make some new parts to fix the arms on the old garabage truck. Installed a block heater in the new garabage truck, and fixed some dumpsters.

**PROJECTS FOR JANUARY**

Service some more equipment and hopefully hall off concrete abutments. Work on maps and plow snow.

**Planning and Zoning Report:**

**City of Shoshone  
Planning and Zoning Commission**

**City Hall  
December 13, 2016  
Regular Meeting**

**Present:** Bill Marsh, Jerry Wallace, Connie Brass, Jodi Waite, Jason Rippee, Ken Haught

**Absent:**

**Public:** Brandon Stokes

**Regular Meeting opened by Haught at 6:01 p.m.**

**Motion by Marsh to approve minutes** from the November 10, 2016 meeting. Second by Waite, all in favor, no opposition. Motion carries.

**Amendments to Agenda:**

**Brandon Stokes Presentation:** Mr. Stokes is interested in bringing a protein processing plant into The City of Shoshone; he educated the commission on the whole rendering process from start to finish. He mentioned that Darling in Kuna does a similar production, and noted that there is a real need in this area. Mr. Stokes said that their new technology really cuts back on the smell and that all of the vapors and steam is enclosed during the cooking process and then goes through the scrubber before being released. Rippee's company has very similar equipment at their building to take the sulfur smell away and he said it works great. The building would have the negative air pressure contained. The board is very interested in bringing in new business and jobs. The board advised Mr. Stokes to keep them informed and to follow up with city council.

The commission decided the use that they felt was closest to a protein processing plant would be a food processing plant so a motion was made by Rippee that this use would be permitted in an M-1 zone. Second by Marsh, all in favor, no opposition. Motion Carries

**Decision on Shoshone Pharmacy Sign Permit:** The board looked over the plans for the Shoshone Pharmacy sign permit. Nobody had any concerns about the sign permit. Motion by Brass to approve the sign permit for the new Shoshone Pharmacy. Second Wallace. All in favor, no opposition. Motion Carries.

**Motion by Brass to adjourn,** second by Rippee. All in favor, no opposition. Motion carries. Haught called meeting closed at 7:05 p.m.

Councilman Wallace motioned to approve the reports as presented. Councilman Sluder seconded the motion. All in favor, no opposition. Motion passed unanimously.

**VOUCHERS FOR PAYMENT:** The Council reviewed the vouchers for payment. Councilman Sluder moved to approve all of the claims and payment thereof. Councilman Wallace seconded the motion. All in favor, no opposition. Motion passed unanimously.

**BUSINESS:**

**SWEAR IN INTERIM POLICE CHIEF:** Mayor Pierson introduced Mr. Dan Lewin and stated he would like to appoint Mr. Lewin as the interim police chief. Mr. Lewin introduced his family and told the council a little about himself and that his first police job was in Shoshone in 1988. Mayor Pierson swore Mr. Lewin in as the interim Police Chief.

**REQUEST FOR SKATEPARK FUNDING:** Vern Johnson was present and advised the council he wouldn't be requesting funding because the Saddle Up Group was awarded a \$30,000.00 grant for the skate park and Lincoln County is going to donate \$3,000.00 to the project.

**CORRESPONDENCE/MISCELLANEOUS:** none

**EXECUTIVE SESSION:** There was no executive session at this meeting.

**ADJOURN:** Councilman Reese moved to adjourn. Councilman Sluder seconded the motion. All in favor, no opposition. Motion passed. Meeting adjourned at 7:33 p.m.
