Amendments to Agenda: None

Update on Zoning Ordinance Revision- Jennifer Rumble: City Council said the next step for the finished Zoning Ordinance revision was to have the City Attorneys read through it. It has been emailed to the City Attorneys and we have not heard anything back from them at this point.

Discussion and Overview of Comprehensive Plan: The Commission spent most of the hour discussing the purpose of a Comprehensive Plan and what things they may want to change about it. This discussion brought up numerous questions and they feel a conversation with the Mayor would be good before fully diving into revising the Comprehensive Plan. Chairman Marsh asked Jennifer to ask the Mayor if he would be willing to attend the next P&Z meeting. Chairman Marsh also asked Jennifer to verify who the Floodplain administrator is for the City of Shoshone as it may come up in the Comprehensive Plan revision and because there is possible renewed interest in the North Park subdivision property.

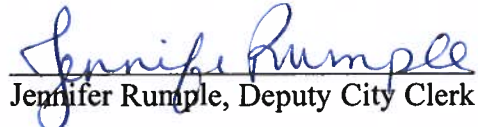

Motion by Commissioner Brass to adjourn, second by Commissioner Vasquez, all in favor, no opposition, motion carries. Chairman Marsh called meeting closed at 7:00 p.m.

Approved:

William Marsh, Chairman

Attest:

Jennifer Rumble, Deputy City Clerk
